Vision into Practice

Use your school readiness funding to build staff skills and capacity

Our coaches support kindergarten teachers and directors, educational leaders, or teams in **the priority areas: Wellbeing, Communication, and Access and Inclusion**. Packages start from just **\$999**.

A customised package for wellbeing might include:

- ✓ Coaching on how to respond to challenging behaviours
- ✓ Strategies to help children regulate their emotions
- ✓ Strategies to support day to day social interactions in an educational setting

What kindergarten teachers are saying about CCC's coaching packages:

"It's just like a personalised PD session. There is no judgement, the coach is there to support you. Our coach has supported us with individual children's behaviour plans. I can't recommend it more highly."

Why CCC?

- ✓ We come to your service in both rural and metro areas
- ✓ We work with you to identify your unique needs, and tailor our packages to fit you
- ✓ Proven experience coaching kindergartens through DET's *Improving Quality Through Leadership Program*
