From just \$80

## What our members are saying

“ Really appreciate how flexible you have been with our services with their particular demands!

YARRA CITY COUNCIL

“ Such great breadth of training opportunities and warm, friendly consultants that really know their stuff!

KIDZONE OSHC, ROMSEY

“ We love that CCC acts as a spokesperson for many community organisations and takes our issues and challenges to the right platforms, helping organisations to work together for better outcomes.

KENSINGTON COMMUNITY CHILDREN'S CO-OPERATIVE

## A voice in your corner

Community Child Care Association (CCC) is a powerful voice for early childhood and outside school hours care services and educators.

We lobby government and key decision-makers for policy change – like continued funding for the National Quality Framework and equal pay for educators – on behalf of our members.

## There when you need us most

We support you to overcome your challenges so your service can grow and thrive.

As a member, you'll get:

- ✔ 25% off all training, including on-site support visits
- ✔ Free member helpdesk support, on issues such as HR, governance and regulations
- ✔ Must-know policy and compliance updates
- ✔ Service management tools and resources
- ✔ Invites to exclusive member events

+ much more

## Member discounts and special offers

Save on the products and services you need, from educational and teaching resources to an employee assistance program that will support your workplace.

**We support and advocate for not-for-profit and community-owned services**
